

GABA 1ST Scientific Workshop

May 28-30, 2008, Tampere, Finland

Tampere University of Technology (TUT), Tietotalo Building, room TB222

VENUE INFORMATION

The workshop will take place at **Tampere University of Technology (TUT)**, which is located in **Hervanta**, at about 8 km from Tampere city center. The address is Korkeakoulunkatu 10. The workshop will be located in **Tietotalo Building , room TB222** (second floor). Figure (1) below shows how Tietotalo looks like. A taxi from the city center to TUT costs about 16-20 Euros. The phone number of the taxis in Tampere is 0100 4131 (from a mobile phone). However, the easiest and most inexpensive way of getting from the city center to TUT is by bus (buses 13, 20, 30). You can check the detailed bus routes and timetables in this web-page:

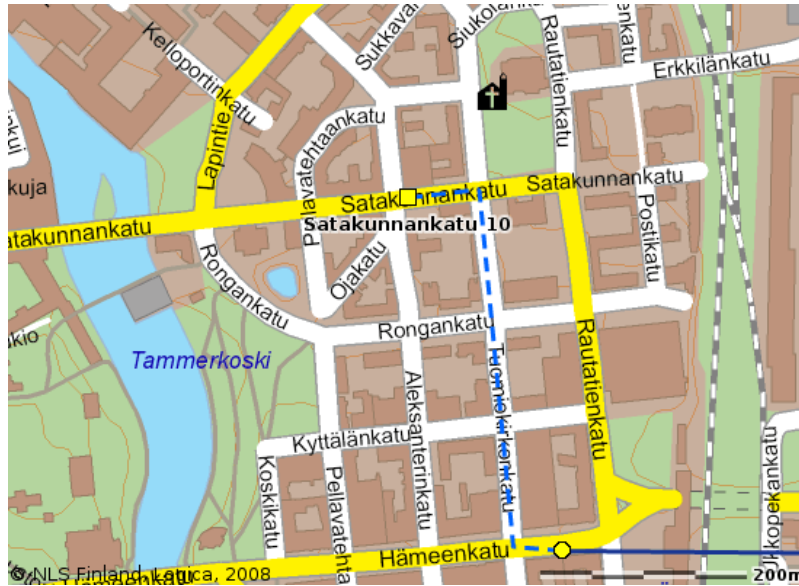

<http://atlas.tripplanner.fi/tkl/en/>

The destination you need to specify in that web-page is "Tampereen teknillinen" or "korkeakoulunkatu 10".

Specific instructions for those of you staying at:

- **Hotel "Scandic city Tampere"**: In order to arrive to the workshop venue before 10:15 am you will need to be at the bus stop named "Rautatieasema" before 9:39 am and take bus number 13. If you are late and miss the bus you can also take the bus number 20 (in the same stop) at 9:47 am. Ask in the reception for directions to the bus stop, which is just 10 meters away from the hotel.
- **Hotel "Cumulus Pinja"**: The same instructions as given for hotel "Scandic city Tampere". The only difference is that you have a 5-10 minutes' walk from the hotel to the bus stop. See map (1) below for directions from the hotel to the bus stop.
- **Hotel "Omena"**: You will have to be in the bus stop named "Tuulensuu" a bit before 9:34 am and take bus number 13. The bus stop is just in front of the hotel, in the other side of the road. If you miss this bus, just wait until the next bus 13 comes at 9:49 am.

If you use bus number 13 you should stop in the stop named "**TTY**", which is marked by a red filled circle in the map (2) below. If you use bus 20 or bus 30 you should stop in "**Ahvenisjärvi**", which is marked by a yellow filled square in map (2). The direction of the bus is marked by solid black arrows. Most buses have an electronic display showing the name of the next stop. Otherwise, you can just ask any of the passengers or the driver when to stop.
